Holes 1-9 Best Ball - Both players will play their own ball through out the hole and the team will use the better of the two scores as the team score.

Holes 10-18 Scramble - Both players tee off, and the team selects which ball to play from. They both then play from that spot and select the best second shot to play from and continue until the ball is holed.

Sunday's Formats:

Holes 1-9 Alternate Shot - BOTH players will tee off and then select which ball to play from. Whoever hit the shot selected cannot hit the second shot. DO NOT HIT THE BALL IN PLAY 2 CONSECUTIVE TIMES! Penalty shots do not count towards the alternate shot. If player A hits the ball into the water off the tee, player B will then hit the teams 3rd shot. You may change golf balls once you are on the green.

Holes 10-18 Individual Matches - In the app players are listed from top to bottom by 2 person teams. The first player listed will play the 3rd player, and the 2nd player will play the 4th. If there is any confusion, the individual matches are listed on the chalkboard in the restaurant.
